

Herculaneum Lead Smelter Site

TELEPHONE CONVERSATION RECORD

12/22/2005

1415 hours

I, Bruce A. Morrison, called Mr. Leroy Alexander at 636-479-4659 who resides at 817 Cross Street in Herculaneum, Missouri. I identified myself on the call and stated that our records indicated his yard had not been sampled for lead contamination. He replied, "Yes, and I have no intention of doing so." He then hung up the phone.
